

Ban on evictions for commercial tenants who miss rent payments

What is it?

A legal ban on landlords evicting commercial tenants solely due to missing a rent payment due to coronavirus.

Who is eligible?

All businesses renting property who are unable to pay their rent due to coronavirus.

What does it cover?

Rent will be due as normal, however this moratorium on evictions prevents landlords from enforcing the eviction of a commercial tenant for the next three months.

How your business can access it

No action should be required as the courts will not process any claims for commercial evictions during this time.
